A Personal Experience

In the days of our untrammeled youth we could never see how any one could ever get tired of playing baseball.

The college season called for games on Thursday, Friday and Saturday of each week for two months. These games were all recreation and sport.

Then, at the close of a collegiate year on the diamond, we healed to the properties of the prope

Gibbons Boxes Here Again All lovers, friends and acquaintances

All lovers, friends and acquaintances of the great god Swat will be parking their puppies as close to the ring of the Pioneer Sporting Club next Tuesday night as possible, when Charley Doessereck dusts off one of the chairs inside the ropes and sits Tom Gibbons, of St. Paul, thereon. This baby, Gibbons is the stick of TNT who created a sensation recently by knocking Paul Sampson loose from his Einstein relativity at the Pioneer.

On Tuesday Tom is going to practice on Larry Williams, who has taken out his insurance papers, made his will and wired his folks to "say it with flowers."

Track Meet by Wire Arranged Between Amherst and Wesleyan

MIDDLETOWN, Conn., April 8.-A novel plan for holding a dual track meet by telegraph has been evolved and agreed to by the authorities governing athletics at Wesleyan University and Amherst College. Announcement of the project was made here to-day by Dr. Edgar Fauver, professor of physical education at Wesleyan.

The meet will be held during the latter part of this month or early in June. A prearranged program of track and field events will be run off simultaneously at Amherst and Wesleyan at the time agreed upon. Bulletin boards will be erected on the respective fields and the results by telegraph will be announced at each end. After the scores have been computed in each event the names of the winners will be marked on the boards.

Of course, there is the possibility of differences in weather and track conditions, but the promoters hope that the innovation may help to broaden interest and participation in athletics among the students in both colleges.

The Oldtimer's Refrain

I've hammered golf balls eighteen years I've played through sunshine and through rain, Through misery and cheer; I've had days where I never smeared A wallop from the tees, The while I romped around in par, In fancy fours and threes. I've had uncanny things take place

Across my golfing strife, BUT-I never beat a well man In my life.

I've tackled rivals old and young In wind and rain and sun; And many a hole I've made in two, And four I've made in one: I've battled up and down the land From mountain top to plain, But every time I finished up, I caught the old refrain; I've had astounding things take place Wire miracles were rife, BUT-I never beat a well man In my life.
